Attention Gardeners!!

Pickle Lake now has a Community Garden located across from the Gospel Chapel. We have some good dirt (and we don't mean rumours), raised beds, starter plants and seeds. Lumber, plants, compost, composter and a hose have already been donated, **but we need help putting it all together.** This garden commemorates our residents and our ability to come together to make good things happen.

This year's theme for Seniors Month is "Living the Best Life" and our garden will involve both seniors and youth and everyone in-between. Together we will be planning, preparing, planting, harvesting and eating good, wholesome food grown in Pickle Lake. **Now that's eating local!**

Our first meeting of the **Community Gardening Group** will be at the **Garden on Saturday morning, June 3rd at 9:00 am.** You don't need to know anything about gardening, just come out and learn. If you are an experienced gardener, please join us to provide sage advice. Can't make the first meeting? We will post subsequent meeting times around town or call Lynn to be kept informed.

Any questions? Call Lynn at 807-323-2035.

Thank You To All Who Pitched-In!

Pitch-In Day this year had a great turn out and our town looks great, luckily the weather cooperated. 14 teams pitched-in this year collecting two trailers full of garbage, 114 garbage bags. A big thank you to the MNR crews, along with Councillors Chartrand and Dunbabin, who took time out of their day to Pitch-In.

Thank your for the generous donations of food, fuel and prizes from North Pop, K&K Tackle, North Star Air, Winston Motel, Pickle Lake Hotel, Don MacNeil, Lakeview B&B, Morgan Fuels, The Pickle Lake Outpost and the Northern Store! The winners, "The Crescent Warriors", collected 28 bags, 4 strollers, a pool and a toy electric car, among other items.
