Township of Pickle Lake
2 Anne Street,
Pickle Lake, Ontario, P0V 3A0
Attn: Jamie Hussey,
Acting Clerk Treasurer

1.0 INTRODUCTION

The Township of Pickle Lake (the “**Township**”) appreciates your firm’s interest in this Request for Tenders.

Through this Request for Tenders, the Township is seeking to retain the services of a Contractor to provide the services for waste collection in the Township of Pickle Lake

Before submitting a Tender, the Bidder shall carefully examine the terms, conditions, instructions, and specifications and inform themselves as to environmental conditions, physical and other constraints if applicable.

In this Request for Tenders, the successful Bidder shall be referred to as the “**Contractor**”.

2.0 CLOSING TIME

Tenders are to be submitted to the Township of Pickle Lake, 2 Anne Street, Pickle Lake, Ontario, prior to **Thursday, January 31, 2019 at 4:45 PM**

Time registered on the Township of Pickle Lake digital phone system will be considered the official time of day when determining the exact time of submission.

Tenders received after the Closing time will not be accepted and will be returned to the Bidder unopened.

3.0 TENDER OPENING AND RESULTS

All Tenders received on time will be opened in public on **Tuesday February 12, 2018 at 5:30 p.m. during the Council Meeting** in Pickle Lake Council Chambers, 2 Anne Street, Pickle Lake, Ontario. The names of the bidders and the prices submitted will be disclosed.

A list of Tenders received will be available at the Township of Pickle Lake Town Office or from the Clerk Treasurer at 807 928 2034 Extension 202. Bidders will not be notified in writing of the Tender results.

4.0 TOWNSHIP CONTACT PERSONS

For questions related to the detailed specifications or the nature of the work required, Bidders may contact Jamie Hussey, Acting Clerk Treasurer, via email at clerktreasurer@picklelake.org, telephone at 807-928-2034 or fax 807-928-2708.

5.0 ERRORS, OMISSIONS AND QUESTIONS

The Township shall not be held liable for any errors or omissions in any part in this Request for Tenders.

Bidders with questions related to this Request for Tenders, finding errors in, or omissions from the documents, or having any doubt as to the meaning or intent of any part of the Request for Tenders, must contact one of the Township contact persons, listed in Section 4.0, **Thursday January 24, 2019** to allow time to respond or to prepare and distribute an addendum as necessary, and to allow time for Bidders to receive and process the new information.

6.0 THE TENDER

6.1. Addenda

It may be necessary for a variety of reasons to issue addenda that may include, but not be limited to:

- a. Correction or clarification of the Request for Tender;
- b. Extension of the Closing date;
- c. Retraction or cancellation of the Request for Tender.

All addenda issued to potential bidders who have provided contact information will include a covering letter asking the recipient to confirm receipt of the most recent addendum and any previous addenda.

Addenda will be faxed, emailed or mailed to the latest address as provided by the Bidder. It is the Bidder's responsibility to notify the Clerk Treasurer of any change to their fax number, email or mailing address.

Although the Township will make every reasonable effort to ensure a Bidder receives all addenda issued, it is the Bidder's ultimate responsibility to ensure all addenda have been received and are reflected in their Tender.

6.2. Form of Tender

The Tender shall include:

- a. All pages of this Request for Tender, without alteration;
- b. All addenda that have been issued;
- c. All requirements of the Request for Tender, as set out in **Section 10 "To Include in Tender"**.

The Tender shall be typed or written in ink. It shall contain original signatures where required and shall clearly be marked "**ORIGINAL**".

The Bidder shall also submit one **(1) copy** of all requirements, as set out in **Section 10**. This copy does not require all pages of the request for Tenders or all pages of addenda issued.

The Tender shall be made upon the forms provided. The prices quoted shall be valid for the term of the agreement.

A Tender shall be accepted only when submitted in an envelope sealed and clearly addressed to **“Township of Pickle Lake, 2 Anne Street, P.O. Box 340, Pickle Lake, Ontario, P0V 3A0”** and marked **“Tender #2019-001 Waste Collection”** and include the name and address of the Bidder.

Faxed or emailed Tenders will not be accepted.

Bidders are cautioned not to send Tenders **collect** by courier or with insufficient postage. Charges related to Tenders **determined to be “COLLECT” by courier, or with insufficient postage, will not be accepted.**

7.0 GENERAL TERMS AND CONDITIONS

7.1. Freedom of Information Act

The Bidder hereby consents to the disclosure of the information contained in this Tender, pursuant to The Municipal Freedom of Information and Protection of Privacy Act, R.S.O. 1990, C.M. 56 (“MFIPPA”).

If a Bidder considers any part of the Tender proprietary, the Bidder shall clearly mark such page or section of the Tender as confidential.

The identity of submitting Bidders, as well as the successful bid amount, may be available to the public as part of the award process.

7.2 Cancellation of Contract

The Township reserves the right to cancel any resulting Contract, due to non-performance or non-compliance, with written notice. Should non-performance involve any issues regarding Health and Safety, the Contract may be cancelled by the sole discretion of the Township. The Township may also cancel the contract without cause by means of 30-day advance written notice.

7.3 Pricing and Taxes

The Bidder must provide their HST Vendor’s identification number or, indicate if operating as a “Small Trader” by providing previous year’s income statement.

Pricing shall be firm for the term of the contract.

H.S.T. shall be extra, over and above the tendered price.

7.4 Payments

The Contractor shall submit an invoice, to the Township, at the end of each month.

The Contractor must submit annually a current valid copy of a Clearance Certificate from WSIB. Any tender not supplying a valid WSIB clearance certificate that covers employees will be considered invalid, and shall not be awarded to the contractor submitting the tender.

Failure to provide a valid WSIB Clearance Certificate will result in a holdback of 100% of the amount of all outstanding invoices until such time that a current, valid WSIB Clearance Certificate is received by the Clerk Treasurer for the Township of Pickle Lake. No exceptions shall be made if the tender does not contain a valid WSIB clearance certificate.

7.5 Accept/Reject

The Township reserves the right to accept or reject any or all Tenders.

The lowest Tender will not necessarily be accepted.

In the event that a favourable Tender does not exactly meet with the Township's requirements, the Township reserves the right to enter into negotiations with the Bidder to arrive at a mutually satisfactory arrangement with respect to any modifications to the Tender.

7.6 Adjustments to Tenders

Adjustments to submitted Tenders shall not be considered. A Bidder wishing to make adjustments to a submitted Tender must supersede it with a later Tender, which must be received prior to the closing date and time.

7.7 Withdrawal of Tenders Prior to Tender Closing

A Bidder who has submitted a Tender may request that their Tender be withdrawn. The withdrawal shall be allowed if the request is made before the closing time for the Request for Tender to which it applies. Withdrawal requests must be directed to the Clerk Treasurer by letter, or in person. Telephone requests will not be considered. When withdrawals are made in person, the Official receiving Tenders shall obtain a signed letter or withdrawal confirming the details.

If more than one Tender is read out under the same Bidder name for the same Request for Tender and no withdrawal notice has been received, the Tender contained in the envelope bearing the latest date and time stamp shall be considered the intended Tender.

7.8 Causes for Rejection

The following represent circumstances that would result in a Tender being rejected:

- a. Tender received late (will not be opened);
- b. Tender not complete;
- c. Correct version of Tender form not used;
- d. Tender not legible in whole or in part;
- e. Tender not completed in either ink or type;
- f. Tender not signed;
- g. "Waste Collection Truck Form of Agreement", when required, is not executed or included with the Tender;
- h. No valid WSIB clearance certificate that covers employees.

The following represent circumstances where a Tender is questioned but may be accepted after examination or correction:

- a. Tender containing simple arithmetic errors as determined during evaluation process;
- b. Tender not acknowledging correct number of addenda issued;

7.9 Sub-Contractors

No subcontracting of any part of the contract shall be permitted without authorization of the Township. Where subcontracting is approved by the Township, the Contractor shall be held fully responsible to the Township for the acts and omissions of his subcontractors and of persons directly or indirectly employed by them, and for the acts and omissions of persons directly employed by him.

7.10 Changes to Work When Contract Underway

No deviation from the specifications shall be made by the Contractor in the execution of the work, without written approval of the Township.

The Township will not pay the Contractor any amounts over and above the Tender unless the Township and the Contractor agree to a price change as the result of changes in the work required before the additional work is undertaken.

The Contractor shall furnish a complete breakdown of any costs beyond the tendered amount to support the additional amount.

7.11 Rights of the Township

The Township will retain the right to ensure that an acceptable standard of use, service and operation is maintained.

The Township will retain the right to, from time to time in the sole discretion of the Township, complete some or all of the work utilizing its own equipment and personnel.

The Township will retain the right to solicit services of an operator outside of the contract where the Contractor does not respond to a request for service, which is not a regularly scheduled service, within one (1) business day. All requests for service shall be made by the Clerk Treasurer.

7.12 Protection of Work and Property

The Contractor shall be held responsible by the Township for all damage caused by himself, his employees, or any subcontractors, including, but not limited to damage to subsurface or surface utilities, properties, pavement, curbs, buildings, fences, internet pedestals, homes or structures adjacent to or in the general area of the work, through any other cause relating to the work carried out under the contract. Additionally, the Contractor will be required to make good all such damage at his own expense to the satisfaction of both the owner and the Township.

The Contractor shall be fully responsible for ALL accidents arising by reason of execution or non-execution, or non-repairs of the said works, or by reason of any failure to comply with the requirements of this clause and shall fully indemnify the Township in respect thereof.

The Contractor shall conduct the work at all times, with the safety of employees on the jobsite and the safety of the public in mind. All work shall be done in accordance with recognized safe working practices and all legislatively mandated requirements.

7.13 Emergencies

The Township has the authority to stop Contract work whenever, in its opinion, such stoppage may be necessary to ensure the proper and safe execution of the work.

7.14 Contractor's Liability Insurance

The Contractor shall procure and maintain Comprehensive General Liability Insurance, which shall:

- a. Have a limit of liability of not less than **two million dollars (\$2,000,000)** inclusive of any one occurrence;
- b. Include insurance against liability for bodily injury and property damage caused by vehicles or equipment owned by the Contractor;
- c. Be endorsed to provide that the policies will not be altered, cancelled or allowed to lapse without thirty (30) days prior written notice to the Township;
- d. Name the "Corporation of the Township of Pickle Lake" as an additional insured party;

The Contractor shall pay for all premiums and expenses incurred with the insurances.

7.15 Contractors Vehicle Insurance and Licensing

The Contractor shall maintain adequate vehicle insurance and licensing in the amount of **two million dollars (\$2,000,000)** for any and all company vehicles as applicable to be used in the provision of the Agreement requirements.

7.16 Proof of Insurances

The Bidder shall provide with their tender, proof of insurances.

In the event that satisfactory proof of insurance cannot be provided, a letter from the Bidder's insurance company confirming that the Bidder will be able to obtain the required insurance will suffice.

7.17 Certificate of Insurance

Prior to the start of any work, the Contractor shall file with the Township, together with the signed agreement documents, Certificates of Insurance, clearly stating that all the insurance coverage required comply with all the requirements listed in **Section 7.14 and 7.15**.

If the Contractor does not provide the Certificates of Insurance as herein requested, the Agreement will be terminated and may be awarded to the next qualified Bidder.

7.18 Workplace Safety and Insurance Act and Employment Insurance

It is the Contractor's responsibility to ensure that the Township is always in possession of a valid current "Certificate of Clearance" that covers all employees.

The **Contractor** must furnish the Township with a valid and current "Certificate of Clearance" from the WSIB forthwith upon the awarding of the agreement. The Township will not execute the agreement in the absence of a valid and current "Certificate of Clearance".

If the Contractor does not provide a copy of a valid and current Certificate of Clearance as herein requested, the Agreement will be terminated and may be awarded to the next qualified Bidder.

Payments to the Contractor will **NOT** be made by the Township if the “Certificate of Clearance” supplied to the Township is no longer valid and current and covers all employees.

The Township reserves the right to reject any Tender and not enter into any contract if, in its sole discretion, it deems the Bidder does not have sufficient coverage. In the event the Township determines that the Contractor must obtain proper WSIB coverage, the Contractor shall forthwith furnish the Township with a certificate from the WSIB confirming that they have purchased such proper coverage.

The Contractor, at its sole expense, shall be responsible for providing:

- a. All benefits and contributions required pursuant to the Workplace Safety and Insurance Act, and other applicable law, including but not limited to the Employment Insurance Act, to its employees; and
- b. The payment of other incidental expenses to its employees.

7.19 Indemnification

The Contractor will always indemnify and save harmless the Township, its agents and employees, against all actions, suits, claims and demands, which may be brought for any loss, cost, damages, charges or expenses whatsoever which may be sustained, incurred or paid by the Township, its agents or employees, by reason of the errors or omissions of the Contractor, in regard to this Tender or any contract which results there from, including any charges arising as a result of any health and safety violation on the part of the Contractor. The Contractor hereby grants to the Township full power and authority to settle any action, suit, claim or demand on such terms as the Township may deem advisable, and hereby covenants and agrees to pay the Township on demand all monies paid by the Township pursuant to any such settlement, together with the reasonable costs of the Township or its solicitor in defending or settling any such action, suit, claim or demand.

7.20 The Occupational Health and Safety Act and Others

The Contractor shall comply with all conditions and regulations of the Occupational Health and Safety Act, R.S.O. 1990, and the regulations enacted thereunder for construction projects and amendments thereto; any other Federal or Provincial Statute or Local By-Law concerning safety, including but not limited to the regulations of the Ontario Ministry of Labour, Ontario Hydro Safety Requirements, Workplace Safety and Insurance Board. Requirements will be strictly enforced. In the event of conflict between and provisions of the above authorities the most stringent provisions will apply.

7.21 W.H.M.I.S.

The Contractor shall provide the Township with Material Safety Data Sheets (“MSDS”) for all W.H.M.I.S. Products used for this Contract.

7.22 Relationship of Parties

The Bidder expressly acknowledges that they are an independent Contractor and neither agency, partnership nor employer-employee relationship is intended or created by the resulting Contract.

The Contractor shall be solely responsible for all matters, if applicable, relating to statutory deduction of all taxes, Employment Insurance and Canada Pension and all licences and permits which may be or become required to perform all Services.

The Contractor shall be solely responsible for all its personnel matters, if applicable, relating to hiring, firing, discipline, leave, remuneration, WSIB and insurance premiums.

The Contractor fully acknowledges and accepts their responsibility as Contractor as defined under the Occupational Health and Safety Act.

7.23 Use of Job Site

“**No Smoking**” is to be observed in all Township buildings.

The Contractor is responsible for ensuring that no person who is impaired by alcohol or drugs shall enter and/or remain on the job site. The Township may cause to remove from the site, for a duration determined solely by the Township, any persons not observing or complying with these requirements and such non-compliance may be cause for termination of this Agreement.

7.24 ENVIRONMENTAL ACTIVITY AND SECTOR REGISTRY (EASR)

The Contractor must be certified with the Ministry of the Environment to haul non-hazardous waste. The Contractor must be in possession of an EASR and display the certificate number on the vehicle. A copy of this must be kept in the vehicle. A copy shall be forwarded to the Township for record keeping.
