- c) Establish a capping adjustment threshold of up to \$250 for increasing properties, decreasing properties or both, whereby no capping adjustments less than the threshold amount would be applied; and/or
- d) Exempt properties from the capping calculation where the previous year’s capped taxes for the property were equal to the uncapped taxes for that year; and/or
- e) Exempt properties from the capping calculation where the previous years capped taxes were less than the previous year’s CVA taxes, and the current year’s capped taxes would otherwise be greater than the current year’s CVA taxes, or vice-versa.
