

**KEEP BEARS AT BAY!**

The Township has 2 bear traps that are currently set up and rotate locations around town based on nuisance complaints and visible sightings. If a bear is caught it is humanly transported up the north road and released back into the wild.

**Some tips on avoiding bears visiting your garbage box are:**

-Ensure your garbage is in the box and the box is not overflowing.

-Make sure garbage is bagged, not loose.

-Ensure your box has a lid, the box is in good repair and a heavy object is set on top to keep the lid closed.

-Bears have a keen sense of smell, so rinsing meat trays, cans etc. before placing them in the garbage deter

bears from paying you a visit.

-Dispose of fish cleanings on garbage day, do not let your remnants sit in the garbage can for days, the landfill

is open 3 days a week and there is NO CHARGE for residential garbage.

-Freeze your remnants and dispose of them on garbage day, to avoid smelly garbage bins.

- If your garbage bin is getting smelly, wash it out with the hose and liquid detergent.

-Keep pets indoors after dusk, do not leave dog/cat food outdoors for extended periods of time.

## Quote Of the month!

“Every day is a chance to begin again. Don’t focus on the failures of yesterday, start today with positive thoughts and expectations.”

– Catherine Pulsifer

## Fact of the month!

Wombats are the only animal whose poop is cube-shaped. This is due to how its intestines form the feces. The animals then stack the cubes to mark their territory.

## Joke of the month!

A bear walks into a bar and says, “Give me a whiskey and .....cola.”

“Why the big pause?” asks the bartender. The bear shrugged. “I’m not sure; I was born with them.”

## Riddle of the month!

I’m light as a feather, yet the strongest person can’t hold me for five minutes. What am I?

Township of Pickle Lake

## Open House Meeting

### Township of Pickle Lake

Housing is a top priority for the Kenora District Services Board. The goal is to ensure that everyone can access safe, good quality housing that meets their needs. Ensuring an appropriate supply of housing is vital in achieving our economic growth potential.

Last fall, open houses were held across the Kenora District to better understand the housing needs of each municipality. This includes youth to seniors, singles to large families, seasonal workers to full-time residents, people experiencing homelessness, and high-income earners. The purpose of this open house is to make sure that we've heard you correctly, and to get your input into potential solutions.
