

**In Flanders Fields
John McCrae**

In Flanders fields the poppies blow
Between the crosses, row on row,
That mark our place; and in the sky
The larks, still bravely singing, fly
Scarce heard amid the guns below.

We are the Dead. Short days ago
We lived, felt dawn, saw sunset glow,
Loved and were loved, and now we lie
In Flanders fields.

Take up our quarrel with the foe:
To you from falling hands we throw
The torch; be yours to hold it high.
If ye break faith with us who die
We shall not sleep, though poppies grow
In Flanders fields.

Answer to Riddle: His brother is 10

Quote Of the month!

"Autumn is a second spring when every leaf is a flower." -Albert Camus

Fact of the month!

The first oranges weren't orange

The original oranges from Southeast Asia were a tangerine-pomelo hybrid, and they were actually green. In fact, oranges in warmer regions like Vietnam and Thailand still stay green through maturity.

Joke of the month!

"What did the janitor say when he jumped out of the closet?" (See answer at bottom of the page)

Riddle of the month!

When Grant was 8,
his brother was half his age.
Now, Grant is 14.
How old is his brother?
(Answer on last page)
