

Every Child Matters.

September 30th is National Day of Truth and Reconciliation. On this day we acknowledge the history and ongoing trauma caused by residential schools. On this day, we honour those who were lost and the survivors, families and communities who continue to grieve.

The Township of Pickle Lake supports and recognizes actions of reconciliation need to take place. Today we stand together in orange, because

Answer to Riddle: The Post Office

Quote Of the month!

“Your time is limited, so don't waste it living someone else's life. Don't be trapped by dogma, which is living with the results of other people's thinking”. -*Steve Jobs*

Fact of the month!

The lyrebird can mimic almost any sounds it hears — including chainsaws.

Joke of the month!

What did the shark say when it ate the clown fish? (See answer at bottom of the page)

Riddle of the month!

What two words, added together, contain the most letters? (Answer on last page)

(This tastes a little funny.)

KEEP BEARS AT BAY!

The Township has 2 bear traps that is currently set up and rotate locations around town based on nuisance complaints and visible sightings. If a bear is caught it is humanly transported up the north road and released back into the wild.

Some tips on avoiding bears visiting your garbage box are:

- Ensure your garbage is in the box and the box is not overflowing.
- Make sure garbage is bagged, not loose.

-Ensure your box has a lid, the box is in good repair and a heavy object is set on top to keep the lid closed.

-Bears have a keen sense of smell, so rinsing meat trays, cans etc. before placing them in the garbage deter bears from paying you a visit.

-Dispose of fish cleanings on garbage day, do not let your remnants sit in the garbage can for days, the landfill is open 3 days a week and there is NO CHARGE for residential garbage.

-Freeze your remnants and dispose of them on garbage day, to avoid smelly garbage bins.

- If your garbage bin is getting smelly, wash it out with the hose and liquid detergent.

-Keep pets indoors after dusk, do not leave dog/cat food outdoors for extended periods of time.

In the event a bear does get into your garbage, please pick it up after the bear has moved on to avoid more bears or other animals visiting the area.

Volunteers Needed

Days you can volunteer are Monday, Wednesday and Friday

- 3:10-4:30pm
- You will be helping out with kids ages 4-15
- There will be planned activities that you will help facilitate
- You must get a vulnerable sector check - The program starts Monday October 18th

Are you looking for a volunteering opportunity and a chance to get more involved in your community? The township is looking for volunteers to help.

If you are interested please contact the township at 928-2034 and speak to Alex Walker who runs the after school program.

Learn the Sounds of Fire Safety™

Smoke and carbon monoxide alarms make different sounds:

CHIRP		A single chirp every 30 or 60 seconds means the batteries, or the alarms themselves, need to be replaced.
BEEP		There's an emergency! Get everyone out of the home immediately. Call 9-1-1 from outside.

Get Loud! Test your alarms today and every month.

For more information contact your local fire department.
