KEEP BEARS AT BAY!

The Township has 2 bear traps that is currently set up and rotate locations around town based on nuisance complaints and visible sightings. If a bear is caught it is humanly transported up the north road and released back into the wild.

Some tips on avoiding bears visiting your garbage box are:

- Ensure your garbage is in the box and the box is not overflowing.
- Make sure garbage is bagged, not loose.

-Ensure your box has a lid, the box is in good repair and a heavy object is set on top to keep the lid closed.

-Bears have a keen sense of smell, so rinsing meat trays, cans etc. before placing them in the garbage deter bears from paying you a visit.

-Dispose of fish cleanings on garbage day, do not let your remnants sit in the garbage can for days, the landfill is open 3 days a week and there is NO CHARGE for residential garbage.

-Freeze your remnants and dispose of them on garbage day, to avoid smelly garbage bins.

- If your garbage bin is getting smelly, wash it out with the hose and liquid detergent.

-Keep pets indoors after dusk, do not leave dog/cat food outdoors for extended periods of time.

In the event a bear does get into your garbage, please pick it up after the bear has moved on to avoid more bears or other animals visiting the area.

(I don't know, but the flag is a big plus)

Riddle of the month!

You measure my life in hours and

I serve you by expiring.

I'm quick when I'm thin and slow when I'm fat.

The wind is my enemy.
