Infrastructure, Planning, and Development Study of Pickle Lake

Project objectives will include the following parameters:

- identify economic development and planning opportunities currently lost due to lack of retail/warehouse/office/training space;
- review and recommend a plan that makes efficient use of land, buildings, infrastructure (connection to hydro, water and sewer services) to diversify and expand economic development;
- survey business and community about the planning and development of alternatives;
- address impact on current businesses for identified alternative plans;
- generate a preferred alternative for implementation with business case analysis to support funding applications for future development.

Deadline for proposal submissions:
Friday, October 20th, 2023 at 5:00 PM (CST).
LOWEST BID NOT NECESSARILY ACCEPTED
